British Deny German Claim That Places of Military Importance Were Damaged.

BERLIN. September 25, via London, 2:27 p.m.—Extensive fires were observed to have been caused by the Zepoelin bombardment of London and the England midiand counties Saturday night, it was announced today in the cliffel report on the air raid. Two of the Zeppelins were lost as a result of the fire of anti-aircraft guns in London, the statement adds. It reads:

"During the night of September 23-24 several naval airships dropped bombs on London, on places of military importance and on the midiand counties. Large fires were everywhere observed to result, these remaining visible for a long time.

Jubilation in London

Jubilation in London.

Londoners were jubilant today, but there was not the same exuitant enthusiasm as three weeks ago, indicating that the destruction of giant skyraiders is already taken as an ordinary incident in this unusual world war.

The fact that the airships were brought down well outside of London, both Saturday night and September 3, shows the care with which the deciency in dealing with the raiders was further evidenced by the speed with which the esarchlights picked up the first raider that appeared above the suburbe about midnight. Suddenly a searchlight beam shot into the starlit sky. Science Confirms the Lore of the Indians

Long before the coming of the white man, the Seneca Indisms collected mineral oil from the surface of water in pits dug in the oil sands. A French missionary visited the Western Pennsylvania wilderness in 1627 and was told that the crude petroleum thus obtained was good for rheumatism and skin diseases. Used internally, the Indians declared, it killed a serpent that lived in he intestines and caused abdominal pains.

Today the twentieth century physician prescribes mineral oil as the safest, most rational treatment for constipation. Nujol is the modern version of the Indian specific. It is not a laxative or a purgative. Its action is to soften the intestinal contents and so make actual movements easy.

All druggists carry Nujol which is manufactured only by the Standard Oil Company (New Jersey). Avoid substitutes. Write today for booklet "The Rational Treatment of Constipation."
